Overview

Identification

Summary

ABSTRACT

The Certificat d'Études Primaires Élémentaires (CEPE) is administered annually by the Ministère de l'Éducation Nationale et de l'Enseignement Technique to grade 6 (ISCED 1) students in public and private schools.

The CEPE is a high-stake and mandatory examination that certifies completion of primary education. It is a requirement for students wishing to pursue lower secondary education (ISCED 2).

The CEPE is a written examination, administered face-to-face and delivered through paper-pencil tests. All test-takers are presented with the same cognitive booklets or tests, which are aligned with the national curriculum.

The CEPE serves the following purposes:

- student certification for completion of primary education
- student selection to higher education programmes or admission into specific courses or tracks
- promoting competition among schools
- monitoring education quality levels

KIND OF DATA

Census (all students at the given grades or ages)

UNITS OF ANALYSIS

Results are reported at the student level. Examination results are broadcasted on the radio, the television and published in the media.

Scope

NOTES

The CEPE comprises four mandatory subjects administered in French. The subjects and duration of each test are listed below:

- Mathematics, 60 minutes
- Sciences and Technology- History and Geography- Human rights and Civics, 60 minutes
- Text analysis, 75 minutes
- Dictation, 45 minutes

The school-based assessments held during the academic year contribute 40% of the final score, while the subjects assessed in the CEPE contribute 60%.

Description of test items: Test items consist of open-ended questions requiring short constructed responses.

Description of stimuli: Test stimuli consist of continuous and non-continuous texts.

Reporting metrics: Student performance is reported by average score. The minimum requirement to meet the national standard is 50%.
