### Sommaire

---

#### RÉSUMÉ

The Test National de Fin d'Études Primaires (TENAFEP) is administered annually by the Inspection Générale de l'Enseignement Primaire, Secondaire et Professionnel to grade 6 (ISCED 1) students in public and private schools. Passing the TENAFEP allows reintegration of out-of-school children and youth into the school system at the next appropriate grade. To take the TENAFEP, out-of-school children and youth must follow a special non formal education programme delivered by the Ministère des Affaires Sociales in special centres called "Centres de rattrapage".

The TENAFEP is a high-stake and mandatory examination that certifies completion of primary education. It is a requirement for students wishing to pursue lower-secondary education (ISCED 2).

The TENAFEP is a written examination, administered face-to-face and delivered through paper-pencil tests. All test-takers are presented with the same cognitive booklets or tests, which are aligned with the national curriculum.

The TENAFEP serves the following purposes:

- student certification for completion of primary education
- school or educator accountability
- promoting competition among schools
- monitoring education quality levels
- planning education policy reforms

#### TYPE DE DONNÉES

Census (all students at the given grades or ages)

#### UNITÉS D'ANALYSE

Results are reported at the student, school, sub-national and national levels. Data are disaggregated by sex and geographic location (urban and rural).

Results are published in reports, which are available in print and online.

## Champ

---

#### NOTES

The TENAFEP comprises three subjects, administered in French: French language, General knowledge and Mathematics. Each test has a duration of 60 minutes. Students also take a placement test of 60 minutes, which does not contribute to their final score.

Description of test items: Test items consist of multiple choice questions with three or more response options.

Description of stimuli: Test stimuli consist of continuous texts.

Reporting metrics: Student performance is reported by average score. The minimum requirement to meet the national standard is a score of 50%.

## Couverture

### COUVERTURE GÉOGRAPHIQUE

National

### UNIVERS

Students enrolled in grade 6 (ISCED 1) in public and private schools.
